Reality roots from the Master...long darling for "Serious Time" "Leave Populate Business" 15 MP3 Songs
WORLD: Reggae, URBAN/R&B: Rhythm Blues Determination Songs Details: Before the far-flung
retrovert to 'cultural' lyrics in the 1990s, Admiral Tibet aka Mr. Reality was the most consistently
"conscious" singer of the ragga age and widely regarded as the world-class "cultural" singer of the
deejay-dominated period. His lyrics, delivered with a convincing, vulnerable choice are as true today as
they were when world-class delivered including the the very current "Serious Time" -- a single that
deserves another listen during today's troubled times. Admiral Tibet's refusal to compromise his integrity,
spiritually and musically, has once again delivered a classic album destined to shed important light on a
deserving artist. "Determination," from Humal Records, has already given early warning of its potential
success with the well-received "Give Praises", "My Determination", "No Love Without Feeling", and "I
Know" -- all released in the UK to great acclaim. "I must always be myself; why should I try to be
someone else's?" -- a question that Tibet asks of himself in "My Determination" and one with which we
have all struggled
