WordPress is so easy to use and had become the most powerful sales platform in the industry, but it was not designed to do everything we are asking of it. That is where plugins like "AlertPay Button Generator" comes to the rescue! Just imagine being able to use your mouse to make a few clicks and setup a subscribe or even a simple buy now AlertPay button inside WordPress. It really is that simple. Now you have that extra power in your hands and much more. The MRR Package you purchased will make you money selling the same concept to others. This guide will walk you through the adaptation process of the package content so you can make money with it. It will not teach you how to use an FTP program to upload it to your hosting, there are plenty of places you can learn that skill at (just Google it). I will show you my preferred method, using cPanel and zipped files. To your success with AlertPay Button Generator, Tags: MRR
