

Mp3 Annie Benjamin - Life's Blessings

[DOWNLOAD HERE](#)

High energy roots music, gospel and a sprinkling of jazz balance powerful vocals that stay with you. 10 MP3 Songs FOLK: Modern Folk, COUNTRY: Country Folk Details: Annie Benjamin is a veteran of the live music scene in Texas with two decades of performances to her credit. She is known for her high energy flute licks, her vocal ability to go from "0 to 180" in the blink of an eye and a unique picking style on her guitar. Her lyrics can be irreverent and silly one minute, poignantly homespun the next. In January of 2001 she released her debut album *Life's Blessings*, a mix of country, jazz, folk and gospel traditions. Upon hearing her song *Wildflowers*, the British producer Alex Von Soos said, "It's very moving and powerful. I've had a lot of commercial success but I don't think I've written anything that good yet." Singer-songwriter Susan Werner described Annie's vocals as "Janis Joplin meets Edith Piaf." Rockzilla, the online reviewer of Texas Americana music, says that "after listening to *Life's Blessings*, you'll feel like a better person - and you probably will be." Her song *Mudflap Girl* was featured on NPR's *Car Talk*. Her CD is now getting airplay on various stations in the U.S. and in Europe. She frequently performs in schools and churches, is involved with numerous charities, and performs with Rahim Quazi and His Band.
