Tune In As He Shows You How To Build HUGE Opt In Lists That Give You The Power To Generate Profits At The Click Of A Button! If youre tired of sitting on the sidelines while everyone else profits from their opt in lists, today is your lucky day. Today you are going to learn how you to can cash in with these secret, and profitable list building strategies! Sit back, relax and read this letter and you will learn everything that you need to know... From: Your Name Here Tuesday 11:06 AM Dear Friend, Have you been dreaming of owning your own profitable e-mail list with tens of thousands of subscribers? Wouldnt it be great if you could e-mail people about a product and get paid for every purchase that someone makes? If you are at this site, chances are you are also on someone elses email list that is already raking it in! How would you like it if that list was yours, and instead of someone having sent you here, you had sent them? Youve probably been paralyzed by all of the courses out there on list building because of the sheer amount of available information and just dont know where to start. Dont worry, weve all been there and it isnt your

fault because... Most Of The eBooks, Courses & Membership Sites Out There Just Arent Proven To Work & The Creators Know This! It might sound crazy but most of the information that is being sold, shared and passed around as fact just isnt, and the little that once was valuable is now old news.... Our system is brand new and created in 2007 so you can be sure you are getting the most up to date tips and strategies available when it comes to list building! Most of the people you think of as gurus are writing theoretical information that might work but that they have never personally tested. This can be a big problem if you go full boar with their strategies and invest a lot of time or money and end up losing your but. Im sure that some of these people have good intentions but they just dont realize the impact of their choices to share untested information. You see, no matter how much information you get, if it isnt tested and proven profitable it is nothing but a possible way to build a list. By using only tested methods of list building you increase your chances of success 100 fold and decrease your chances of losing it all even more. So What Does It Really Take To Build A Huge E-Mail List? You have probably wondered what it takes to create massive e-mail lists that you can repeatedly profit from. We all have. Its a great thing to imagine having a list like the big guys and being able to generate cash on demand. Many Guru marketers routinely make 5 figure profits with every e-mail that they send out. Wouldnt it be nice to just send an e-mail and have 5 figures in your bank account? What is it that these publishers know that you dont? Obviously there are some huge differences between people that never get more than a couple hundred subscribers and people who have lists of over 100,000. Do you know what they are? If you said no, You will know the answer momentarily! I now have a mailing list with over 8,000 subscribers and the best part is that it cost me NOTHING to build this list! The profits I generate via e-mail are so high I never could have imagined making this much money last year! Thanks, Kelly Price, Portland, Oregon Can I Really Build A List As Big As The Gurus And Make Loads Of Money From E-Mail? You can absolutely build a huge list.
