High Powerful Video Course Forex Trading

[DOWNLOAD HERE](#)

Video 1 How to set-up your charts Im going to show you how to set your charts up to slap neon signs on your high value setups. This is your foundational first step in building this method, and its the rock on which youll build the huge success to come. Video 2 Trade Direction Ill walk you through a super-simple method for determining trade direction and the strength of each move. And to save even more of your time I show you how to do this in a matter of a few seconds. Video 3 Trade Triggers I like to keep my setups brain-dead simple so I dont have to sweat to spot them. In this video, I cover exactly what triggers us into these powerful trades. No more half-baked trade triggers here, just those with the greatest potential for success. Video 4 Your Stop I show you a shortcut for setting your protective stop, that requires almost no thought at all. Plus, I show you how to move your stop when necessary. This is risk-management in its most elegant and effective form. Video 5 The Magic Rule Set Any killer method employs a set of easy-to-follow and well thought out rules. This is no different. These rules are ruthlessly effective at preventing loss, maximizing profit and avoiding whip. Easy to follow these rules give you a framework you can lean on for the long haul. Video 6 Common Traps Ive already traded this simple and straightforward method long enough to see a pitfall coming a mile away! When you follow the rules I lay

out you shouldnt have any trouble at all. But its always good to know the risks youre avoiding. Video 7 Perfect Storm Profits I show you how I monitor my main FOREX pairs so I can successfully manage between 5 and 10 trades at a time. If 7 pairs are lining up AT THE SAME TIME like they frequently do, the step-by-step process Ill share lets you fearlessly max-out these perfect storm profit opportunities! What Will You Receive After Purchase ? Manual: .pdf Videos: All Videos 7 videos will be sent out to you instantly
