Gloria writes the songs (along with co-writers David LaPlante, Ron Gomez and Craig Wheeler) and provides the gotta-hear-more lead outspokens; David LaPlante Stephen Pounds (formerly LaPlante and Pounds) provide the intricate guitar work, harmony and occasional lead outspokens. Add to the mix the extraordinary Dick Kniss (long-time bassist with Peter, Paul Mary as well as John Denver) and you have an incredible sound . . . Formed in the upstate New York Capital District (Albany), each member of all-SHe-wrote has performed and recorded previously in their own right.
