

A Student's Guide To Equity And Trusts - Judith Bray

[DOWNLOAD HERE](#)

This engaging introduction explores the key principles of equity and trusts law and offers students effective learning features. By covering the essentials of each topic, it ensures students have the foundations for successful further study. The law is made relevant to current practice through chapters that define and explain key legal principles. Examples and exercises set the law in context and make the subject interesting and dynamic by showing how these rules apply in real life. Key facts sections and summaries help students remember the crucial points of each topic and practical exercises offer students the opportunity to apply the law. Exploring clearly and concisely the subject's key principles, this should be every equity student's first port of call.
