Get Unlimited, Expert Quality eCovers For Life While Never Paying Another Graphic Designer A Single Red Cent Again! Become Your Own Graphics Designer With A Few Simple Clicks! Create Professional Quality Graphics To Help Sell Your Products And Services Like Crazy! Have you ever paid for graphics for your website to help you sell more product? Have you also received the outrageous bill from the graphic designer after that? Or even worse, have you ever said to yourself I can live without an eCover because they are just too expensive? Thats a very big mistake! Its proven that an eCover can help you sell tons more products. Whatever your situation, there is a solution to both of these problems. Thats the entire purpose of this letter. Dear Friend, Im very glad that you made it to this webpage. This letter is going to discuss something that you have never seen discussed before when it comes to graphics. We all know that getting an eCover graphic for your project can be a very expensive thing to lay out cash for. But this letter is going to show you why you no longer have to worry about that again because of an incredible new release. You are going to get the same action scripts that pro web designers use to make graphics that they sell for hundreds of dollars. What?! You didnt know that each eCover is never crafted by hand

by the person you've been paying an arm and a leg for graphics? It's true, all graphic designers use these action scripts to create ALL of the eCovers to make the process easy on themselves. But you have to pay them because we all know an eCover will increase sales. In Fact... One Well Done eCover Can Boost Your Sales By 1400 Or More! It's a fact, there is no doubt that having an eCover prominently displayed on your website will increase sales for your product. This is because it gives your customer a visual representation of your digital product and helps them picture it in their mind. After all, if you are buying an eBook, software or subscription to an online newsletter or membership site, it can be very hard to picture what it is you're buying. This is because what is being purchased is simply digital access to something. eCovers will give the prospect the feeling that they are actually getting something like a book or software box, etc. This simple visual element of your website can increase your sales by as much as 1400 or more alone! The only bad thing about eCovers is that they always cost a ridiculous amount of money to have created. Well, that is until now... How Can I Get Pro Quality eCovers Created Without Having To Pay A Graphic Designer? The New Graphic Expert In A Box Package Has Everything You Need To Create Hot eCovers... Extremely easy to use even if you're a complete novice with no computer experience. Just follow our simple steps... Quality graphics that you can count on to increase sales, conversion and overall profits just by adding them to your websites... Simple point and click operation that make creating your own graphics not only easy but an extremely fun experience to boot... Big savings that go right into your pocket where they rightfully belong, for life!... This is just a sampling of the incredible benefits you get from using Graphic Expert In A Box. Only the Graphic Expert In A Box has the tools you need to boost your business profits into hyper drive! Now, you can find all sorts of books, articles, and how to guides out there that claim to teach you how to design graphics. Some of them even have a few ideas that could work in some circumstances (with lack of quality of course). But NONE of them contain as much practical information as Graphic Expert In A Box. Can you imagine having professional graphics to boost your sales and profits for life without cost? Don't you want to be able to call yourself a successful business owner with these increased profits? Can Someone Like Me Really Create Professional Graphics That Make People Buy? The answer is Absolutely, Positively . . . YES! You see, most eCover tools out there make it complicated and difficult to create graphics, but the truth is, it's not complicated or difficult at all...IF, and that's a big IF, you have the action scripts that the big designers use to create graphics! In fact, if you know the simple steps necessary to use these point and click action scripts, it is downright

easy to do. Let me be very clear about this - you wont make huge profits by simply having a website. You will have to follow the secrets that I show you for using these scripts to create stunning graphics, but I can promise you its amazingly effective. Can you imagine how great it will feel to start seeing substantial boosts in sales? What else do you dream about doing with all of the money youll make? Dont waste another moment, you can get started on your new life right away.
