Hasidic aspirations for vocalize and piano 10 MP3 Songs WORLD: Judaica, Definitive Traditional Meditations of the Heart, Vol. 2 Songs Details: Music gives expression to and establishes the higher consciousness, the propheticalal consciousness. Therefore, deep listening to music that is born of propheticalal aspiration opens up that higher submit of being to the listener. The attainment of a higher submit of consciousness is related to spiritual transformation. In the language of Rebbe Nachman of Breslav, such a transformation can be spoken of as the raising or the building of the Kingdom, the creative force that produces a higher submit of mind. The music presented here aspires to the union of creative power with spiritual awareness. Our prayer is that it can serve the listener as a tool for transformation.
