AFRO-BEAT, a combination of western jazz with African instruments and languages, an upbeat album making a positive statement of truth about issues facing all of humanity. 6 MP3 Songs WORLD: African, WORLD: World Fusion Details: BAKU "The rising Afro beat legend" Afro beat is a musical expression of peace, love, unity, truth and justice. Baoku Moses, a Yoruba tribe from Nigeria, West Africa living in the U. S. He is a professional, cultural performer of African arts. Baoku started his Afro beat career in 1997, shortly after the passing of Afro beat legend Fela Kuti, the father of Afro beat. Baoku uses Afro beat to preach, teach, entertain and educate about the issues facing all of humanity. Baoku, a professional African drummer, integrates African drums such as the Nigerian Bata and talking drums, Djembe and Senegalese "bottom" drums and many more into his music, which distinguishes his style of Afro beat from others. Baoku's debut cd OKODORO ORO, "The Realistic Reality", is not just a masterpiece but a divine message. FREEDOM, the first track, speaks about true freedom, that which can not be given or taken. Freedom of the mind. SOWA DAA BI means "Is it good like that?". Is it good for the majority to be suffering while the minority is enjoying? KOWA DE NA SA means "Everybody with their own". Everything is the same everywhere. The pain, the gain, suffering, smiling, situations, conditions, sadness, happiness, feeling and dying. All absolutely the same, all over the world. One people one world. ORO SUNUKUN translates as "Deep Issues". This track talks about the gap between the "haves" and "have-nots". FREE NIGERIA is about freeing Nigeria from corruption. Is it only Nigeria that needs to be free? ALAKITI calls everyone to gather. To come hear the message of truth. "The Realistic Reality". OKODORO ORO". Complete translations are included in the lyrics booklet, in the cd. For the understanding of all. This cd OKODORO ORO "The Realistic Reality". Is rated by (City Beat Entertainment Magazine) as #2 of the best 25 cds released in Cincinnati, Ohio this past year. Go to [baokutcr](#) for more information about Baoku.
