Folk noir, aerial with hints of dark jazz 9 MP3 Songs FOLK: like Joni, JAZZ: Unearthly Jazz Beneath the Grass Songs Details: Dark melodious pop songs, familiar and persistent vocals, Amy Abdou exhibits an eldritch flair for exposing the ironic and bittersweet in Love and Life "A triumphant blend of persistent, elegant, songwriting and mature involving lyrics...Abdou had eclipsed her promising work in Hand Held Moon with this shining solo debut." - Stephen Leon, Metroland "A definite for this years top ten." Jim Barrett, WRPI "Amy Abdou's voice is perhaps the finest around....(her voice) takes on an identity of its own, too many influences to mention blended together for a dose of something unique. Truly new age." - Howard Glassman, Buzz Magazine "Complex and well crafted songs spun with confidence featuring the potent but persistent voice of Amy Abdou. Its sweet stuff with a bitter bite that lingers in the afterburn." - Greg Haymes, Preview Magazine
