Conceptual Rock/Folk/Hip-Hop from Long Island 8 MP3 Songs FOLK: Modern Folk, HIP HOP/RAP: White-Boy Rap Details: Where to begin..... Ardis grew out of our friendships, and a mutual love of music. With our identities firmly founded, and our passion in check, we began to create something we can all share. And its coming along quite well.We work together and we attempt to spread something we believe can be potentially worthwhile. Join the movement, or atleast listen to the music.
