Sweet, moving, melodic acoustic-guitar compositions, recorded with a casual, intimate concert feel. 14 MP3 Songs FOLK: Gentle, FOLK: Traditional Folk Details: Rounder Records Celtic guitar pioneer Steve Baughman says about "Speechless": "This is Bill Hammond at his best -- gorgeous tone, deep musical passion, commitment to melody." Australian acoustic superstar Tommy Emmanuel says "Way to go, Bill!" BILL HAMMOND is a Minnesota-based guitarist and vocalist whose influences run the gamut from fingerstyle players and classical composers to blues wailers and country-style flat-pickers. He has played in groups and as a solo performer in his native Wisconsin and throughout Minnesota, where he has lived since 1981. His "Skywriter" CD was released in the fall of 2000, and has earned considerable airplay on public radio and Internet venues. "Speechless," an all-instrumental recording that features six different guitars and six different tunings, was released in July 2004.
