Edgy, broody and subtly complex, Tania's passionate vocalizations weave into piano-driven primal grooves creating a collage filled with redolent lyrics, dissonant chords, and piquant melodies - both familiar and bold. 10 MP3 Songs FOLK: Modern Folk, ROCK: Acoustic Emergence Songs Details: "...THAT VOICE HITS LIKE A THOUSAND CLOCKS STRIKING MIDNIGHT - BOOMING, STRONG, FIERCELY SOLEMN." -Origination Magazine ABOUT TANIA Tania Alexandra woke up one morning to see a piano taking up most of her bedroom. She was nine, and that piano became her diary. Immersed in the performing arts and her father's eclectic tastes, she counts The Muppets, Igor Stravinsky, John Coltrane, Tom Waits, Laurie Anderson and Joni Mitchell among her earliest influences. Born and raised amid the beauty of the Colorado mountains, she honed her songwriting in secret while studying music education at Ithaca College, only revealing herself after moving to Philadelphia in 1998. After recording her debut album "Chrysalis," Tania infused herself into the arts community as a singer-songwriter, music and movement teacher, session vocalist and vocal arranger. Her new release "Emergence" represents both a milestone in her songcraft and a culmination of her experiences as an artist in Philadelphia. ABOUT THE MUSIC Propelled to spread creative energy like a colorful weed, Tania Alexandra muses her listeners. Her passionate vocalizations weave through piano-driven primal grooves creating a collage filled with poetic lyrics and piquant melodies. Tania's songs are edgy, redolent, and subtly complex. Some haunting, some playful, some broody some bold - her music explores her journey into the connections and emotions in life through generations and over time between people, nature, and love. ABOUT EMERGENCE Alternating between rhythmic intensity and subtle reflection, Tania Alexandra's second full-length CD finds her piano-driven expressions expanded by a thrilling array of musicians and sounds. Accompanied by new heights of lyrical maturity, dissonant chords give way to fluid melodies, as Tania's

redolent explorations find vocalize in forms both familiar and bold.
