FAST And EASY Video Squeeze Pages PERSONAL USE RIGHTS ONLY! Two things every online marketer needs are a squeeze page and a video. Squeeze pages are short and sweet and compel your visitors to take action -- usually to watch a video and subscribe to a newsletter. Fast and Easy Video Squeeze Pages from Max Rylski is yet another superb collection of graphics and templates that anyone can quickly customize with an HTML editor. It's really quite cut and paste simple and I would encourage even the least tech-savvy person to give it a try. It truly is that fast and that easy. The Fast and Easy Video Squeeze Pages collection of ready-made HTML templates comes in a variety of time-tested layouts that are proven to be effective by marketing gurus. You can edit the text, add your autoresponder information for the subscribe box, and insert your video code -- well, fast and easy, just like the name says! The Fast and Easy Video Squeeze Pages collection of templates comes in a variety of borders and colors enabling you to create eye-catching squeeze pages and to easily blend with the look and feel of an existing web site. _____ Visit My Store For More Deals!!!
