This is Allen Mark's Debut CD 'NEVER TOO LATE'. It is filled with twelve original songs we can all relate to about relationships, dreams, God, love, and war. This debut album is upbeat, yet challenging with influences of folk, pop, rock, and today's adult contemporary sound. These tunes are fully produced and memorable. Coupled with strong vocals, vocal harmonies, colorful arrangements, and excellent musicianship, these hooky songs are worthy of many listenings. Allen Marks co-produced this CD with Grammy Award winning engineer/producer Glenn Barratt at MorningStar Studios in Springhouse, PA. Allen Marks sings and plays guitar and keyboard along with musicians: Glenn Barratt, Chico Huff, Ron Jennings, Jef Lee Johnson, Kurt Johnston, Ron Kerber, Steven Levinson, Grant MacAvoy, Thomas Petroski, Jr., and Hoagy Wing. Lizanne Knott and Nancy Falkow, singer/songwriters in their own right, lend their exquisite voices to several songs as well. After over two decades of light musical focus, Allen suddenly began finishing lyrics to his older melodies and creating new complete songs after the horrific and traumatic events of September 11, 2001.
