kick-ass indie-acoustic female singer/songwriter from UK. "GO" is a brilliantly scripted kinky look at life and the uncanny and wonderful populate and events we come over Gorgeous vocals, harmonies to die for, lumpy acoustic gtr, incredibly catchy songs 11 MP3 Songs FOLK: Folk Pop, ROCK: Folk Rock GO Songs Details: Al Start Biography "Some girls are just born to perform...!" DIVA At Last - a female singer/songwriter bursting with personality! Al Start's music grows from a strong acoustic foundation. Her melodies are sweet, soulful and often hauntingly catchy. Her strong guitar accompaniment provides the perfect balance; but don't be lulled into a false sense of security...it may take a minute 'til you realise just what she is singing about! NEW ALBUM "GO"... Quirky songs about cross-dressing neighbours, rent boys and missing cats are inter-mingled with touching reminiscences of childhood, surreal dreams and candid confessions. These are beautifully crafted songs with themes we can all identify with, yet refreshingly different subject matter. Certainly not your average love song! On "GO", her brand new album, these qualities are illustrated perfectly. Though the roots are firmly acoustic, the album is laced with cutting-edge programming and spiced with the occasional ripper of a guitar solo; demanding that you sit up and listen! An impressive line-up of musicians contributed throughout the album; Sheryl Crow's keyboard player Mike Rowe and Mark Knopfler's guitarist, Luke Brighty to namedrop a few. Produced by Tracey Field. BRIEF HISTORY... Having attained a distinction for the Advanced Songwriting HND at the Brighton Institute of Modern Music, (BIMM), in 2003, Al was chosen by BMG executives to attend the infamous residential songwriting week with Chris Difford from Squeeze. Here she excelled, and co-wrote with top industry writers such as John Savannah, Jill Sobule, Howard New, Helen Boulding (Alex Parks), Matt Deighton and John Hammond-Hagan (Liberty X) to name but a few. She has now been invited back by Chris three times. BMG Publishing also chose one of her songs, "Blame it On", to feature on the 'How

to mend a Broken Pier' compilation released on Setanta Records. The first album, "Lammas" (2000), released with Al's band, Toucan, on Lone Coyote Records, brought rave reviews and full-houses all over the South. This was followed by a solo EP, "Sea of Stars" (2003). Sales rocketed whilst supporting Horse on her UK tour (2004) as did her fan base. Now her solo album is receiving rave reviews across the media.
