An island based sound with Latin and country influences. Jimmy Buffet meets Van Morrison 10 MP3 Songs WORLD: Island, LATIN: Latin Pop Details: A lifetime of music, on and off the road, live and studio, in and out of the country, through almost every known style, brings Bill Dossey to "Sunset Island". Already a regional hit, this album is on the way to earning the broad-based recognition it deserves. Full of tunes destined to be performed by multiple artists, it is a perfect example of those rare times "when things just seem to go right". Quality recording, packaging, tunes and performance make Sunset Island a rose among the thorns.
