1200 percent profit Forex Trading System This is a universal Expert Advisor for trading with any currency pair or securities on Forex. Expert Advisor is distinguished by stable income and may trade at any time interval. Stable income more than 1200 for the 1st year (verified). A bit risky are unpredictable price flare-ups at 500-2000 and more points in the wrong direction, what may happen at economic crash of the country, war, major terroristic acts, etc. But this happens rarely (once in 2 years). One may learn about this from TV beforehand and suspend the work of the advisor for a week or less. earns 300\$ per month from deposit and 1500\$ by lot=0.01. With further increase of the lot size Expert Advisor will earn more and more. I do not recommend to trade prior to big news. here is what you will get after purchase 1 x EA Universal e3.11 (mq4, ex4) 1 x BONUS: The ebook STEP BY STEP: Backtesting and optimizing Expert Advisors for MetaTrader 4.0 (file type .mht and .pdf).
