Get 5 One Time Offer Templates (OTO) w/ Full PLR Rights! Format: HTML PLUS....All Templates come w/ FULL PLR (Private Label Rights). Get Your OTO webpage running fast! These One Time Offer HTML webpage templates will do the trick and do it fast! It's as simple as filling in the templates with your offer specifics and uploading to completed OTO webpage to your web server! Done! ----- Example Page Begin ----- You're Only Going to See This Once...So Please Read Carefully! Attention Getting Headline Here! Put your main content here. I've included the Product Box, and Buy Button right on this page to make it easier for you. All you have to do is add your products to the product boxes, and link the Buy Button to your payment processor. Then, just add all your sales copy or other content. The Buy Button price can be changed right in the html, or use an html editor like Dreamweaver or NVu. You get all the .psd files for the graphics, so if you wish to change the color scheme, you can simply change the price on the button graphic in Photoshop and then export the entire button graphic as a .jpg, instead of slicing the graphic and creating an html button like I've done. Your choice. The footer graphic can, of course be changed if you have photoshop. If you don't have photoshop, I've included a blank footer graphic labeled "footer2.jpg". Just substitute the name of that file in the code. I've also included some web 2.0 style colors you can use in the .psd files. You have unrestricted Private Label Rights for this template. Enjoy!
