

Mp3 Barry Micron - We Are One

[DOWNLOAD HERE](#)

Roots Reggae with some modern sounds. Echoes of Bob Marley and Peter Tosh make this album delicious for any kind of reggae fan. 13 MP3 Songs WORLD: Reggae Details: Son of a Baptist preacher, Barry was born in Manchester, Jamaica. He grew interest in Reggae as a teen and by the time he was in his 20s he was selling and distributing albums for top artists like Natty Dread album for Bob Marley, Burning Spears and more. Barry was friends with the Marleys and recalls baby sitting Ziggy. Barry and his 3 brothers decided to form their own band in the 70s called "Garwood Brothers" and recorded 8 singles at Harry J Studio and had top 10 success. In the 80s Barry went solo and became a back up singer for famous stars like Gregory Issacs and sang duet with Sugar Minot and others. In 1996 Barry started his first album "Praise Jah" which followed with "Free Marijuana" in 1999. Now living in Japan, he is jamming in clubs, and doing outdoor concerts. He has just released his latest cd "We Are One" with songs reflecting the times we live in now with songs like "Terrorist/We Are One and more. Check out this roots Reggae master as there are not many of them left. for further info go to jahcraft.com. YA MAN!!
