Modernistic Folk Singer-Songwriter 15 MP3 Songs FOLK: Modernistic Folk, Sway Acoustic Waiting Songs Details: Singer-songwriter Alan Goldberg has been writing and performing original, acousticalal guitar-based songs and instrumentals for over 25 years. Before settling in upstate NY, he worked and played the local acousticalal music scenes in Greenwich Village, Providence, Baltimore and Washington, D.C. After recording a series of home-made "basement tape" albums," this is his world-class full-production CD. Goldberg is a multi-instrumentalist, and performs all guitars, vocals, bass and percussion/programming on the album, as well as most of the keyboard work. The song themes are both personal and universal, focusing on relationships, family, loss and hope.
