It covers the elements of English Law, the law which is the basis of all legal systems throughout the English-speaking world, however much they may have become adapted to the needs and conditions of different countries. As well as for students studying the law as part of A-Level, BTEC and GNVQ courses, 'Law Made Simple 11th edition' provides an excellent background for the general reader and a springboard to further study. It is a particularly good guide to the Law of Contract, Law of Property and Law of Tort. Author: Barker, D.
