This system will include the template and metatrader loading instructions, and also the one minute scalping system trading rules. It will give you an idea how my trading style works This simple system will have you up and running in lucrative profits in no time, with very little risk... I hardly ever risk more than 11 pips on any one trade... Think about it! - If you scalp 4 - 5 pips three or four times an hour, you can easily make 20 - 30 pips in a few hours. What I do is trade the minute charts on one currency pair, and then have a longer term trade going with my more flexible, trading template that works on any time frame, which you can have to what you will Receive after purchase 1-Forex scalp one minute 2-candlesticks strategies.pdf 3- more bouns
