FastFox Text Expander is an easy to use typing expansion utility that can create and store keyboard shortcuts that, when pressed, will expand to lines of text. FastFox allows the user to define keywords that become the shortcuts. When FastFox sees that a keyword has been typed by the user that keyword will then be replaced by the expanded text. Fast Fox specifications: Download Size: 508 KB Other System Requirements: Windows Vista, XP and Windows 7 Fast Fox supportSupport email: supportnch@nchsoftware.com Phone: (303) 557-0211 Fast Fox manufacturer NCH Software 6120 Greenwood Plaza Blvd Ste. 12080111 Greenwood Village nchsoftware.com Tags: shorthand software, text shortcut creator, medical transcription, word expander, abbreviation, keystroke expander, macro, typing program, keyboard shortcut, medical terminology abbreviation, word macro, typing speed, PRD, w
