Download Free Preview for more Detail! If You Can't Design a Graphic To Save Your Life, and Your Sales Pages and Minisites Look Like a 5 Year Old Designed It, You're In Luck! Read on and I'll tell you why..... Date: From the Desks of: Craig Kaiser and YOUR NAME Pulling your hair out 'cause you can't find decent sales page templates and graphics for your projects and you can't afford those high graphic designer fees? Banging your head against the wall because your graphic designing looks like you have 5 thumbs on each hand? Look, you have enough to do and enough hats to wear as an Internet Marketer, without having to be a web designer and graphic designer too. You don't have to worry about any of that. Not anymore. Create Your Own Great Looking Minisites and Sales Pages, Quickly and Easily - Right Now! That's where my brand new minisites templates package comes in. These minisite templates are designed to be easy to edit, great looking and help you get a professional looking page up and running in no time. You can use these templates for sales pages, minisites, squeeze pages and more! Introducing : IM Minisites Pro Pak A package of 50 professionally designed minisite templates, specifically designed to be easy to use and edit, versatile (adaptable to countless projects) and give your projects a nice

professionally designed look. Easy to use, quick to set up, with minimal (but really easy) graphic editing, or no graphic editing at all. But, hey, enough of this small talk. You need to see what I'm offering you here. So, let's get right down to it, shall we? Take a Look at What You'll Get In This Powerful Package :

The Templates MiniSite Template Set #1 See a Full-sized Screenshot Here Download Free Preview for more Detail! A new window will open. Just close it to return here. These templates are pre-formatted for easy editing. Just replace the existing text with your own content , and link up the payment button to your payment processor. Next, you can edit the .psd header and footer files included using Photoshop or some other editor to put your own text there, and you're ready to go! Can't edit .psd files? Not to worry, I've included blank .png header and footer files for you so you can use your favorite graphic editing program to customize those files with your own text. Easy as pie! *Photos of persons used in these templates are fully licensed. Photos of persons that are included in .psd files are on a "flattened" graphic layer and cannot be used seperately. **All other graphic images, with the exception of credit card logos, are original creations of Craig Kaiser and imgrafx.com, and are copyrighted.
