Webmasters, Bloggers and BUM Marketers... Turn Your YouTube Videos, Video Testimonials - - Even Video Tutorials Into Unique, Eye-Catching Works Of Art That Even Steven Spielberg And Quentin Tarantino Would Be Proud Of! Dear fellow Video Enthusiast, If you're anything like me, you LOVE watching video on the web. Even better... you're either using video on your own website and blogs right now... or you're seriously thinking about it. It's just too easy not too! And they get results... The truth is... folks love to watch videos on your site. Plus.. the benefits are endless... It increases the time a visitor spends on your website It makes your websites and blogs appear more professional & informative. It increases customer return visits It adds credibility to your offers The search engines love VIDEO! The list goes on and on... I remember when I added my first video to one of my blogs. I felt like I just leaped to another level in the Internet marketing community. It's not only profitable... It's just plain ole' exciting to have video streaming on your website! AND... It evens out the playing field and allows "small time" Internet Marketers to keep pace with all those "Bigshot" corporations and their endless budgets and resources. Did you know... Utilizing sites like YouTube and Metacafe makes putting videos on your

websites and blogs as simple as copying a small piece of code and pasting it on your site. That's it. Instant Video on your site! And just imagine if there was a way for you to EASILY take things to a whole new level and make your web videos stand "head and shoulders" above all the other videos you see out there on the web? That would certainly give you a huge advantage over any competition you have in your niche.. right? Imagine the huge increases in AFFILIATE COMMISSIONS you can reap just putting a few videos on your site. Most Internet Marketers now offer their affiliates Video Links to their products. The problem is... grabbing your website visitors attention and getting them to actually watch the videos you put on your sites and blogs. And NOW... I've made that process super-simple and irresistible! If You Can "Copy and Paste" That's All You Need To Do To Take Ordinary Videos And Turn Them Into Stunning Productions Introducing The First Of It's Kind... Video Skins Template Pack! - Unique Video Template Skins That Scream... Watch Me! Let's take a look at everything you get with this incredible "NEVER BEFORE RELEASED" template package... First, your going to receive 5 uniquely designed "Large" Video Skins that are perfect for your larger videos on your website. Each skin is designed to surround a video size of 425W x 350H. And yes... you guessed it... that's the EXACT size of a standard YouTube video. That means you can simply copy the small Snippet of code from your favorite YouTube Videos and paste the code directly into any one of these 8 video skins for an instant Video Masterpiece. And setting the video inside a Video Skin is as easy as 1. copy, 2. open and 3. paste. It's so easy even a 5 year old could do it! In addition to the 5 large Video Skins above, you'll also receive five smaller video skins perfect for adding video to the side of any webpage or blog. Each skins overall size measures 300 pixels in width and holds a video 250W x 200H... which is the optimal size for any webpage or blog's sidebar. HINT: You can actually resize any YouTube video to any size you wish to display on your page just by editing the code YouTube provides you. Simply edit the dimensions to your desired width and height and your Video will appear at that exact size you specify. That means you can also use the skins below for YouTube, GoogleVideo, Metacafe or any of the dozens of Video sites out there just by simply editing the code. And don't forget, if you make your own Videos for your website... these skins will definitely add that extra "POP" you need to get your videos noticed and get the BUZZ started! Just imagine placing your "sales" video in one of the Skins above. Do you think more folks would take notice? You bet they would! Instead of having long-winded sales copy riddled all over your webpage.. you can add a small video that gets watched and noticed... and ultimately increases sales. Video is quickly taking over the Internet and now

you have a unique opportunity to capitalize and stand out above any competition... AND WAIT... There's Still More! Included in this first ever release of the Video Skins template Pack, you'll also receive "Video Auctions". This report will show you exactly how to add video to your auctions.
