

Audrey And The Maverick - Elaine Levine

In Elaine Levine's stunning novel of the American West, a proud rancher and a determined young woman are drawn together in the lawless town of Defiance. Virginia financier Julian McCaid has put his troubled past behind him. His plans for the future don't include Audrey Sheridan, the extraordinary frontier woman he met just once. But it's because of her that he's come to the Dakota Territory to investigate problems at his ranch. And it's all the more surprising when he discovers she isn't the innocent he believed. Now nothing but her complete surrender will purge her from his soul. If it weren't for the children she cares for in her makeshift orphanage, Audrey would have left Defiance long ago. Now the sheriff is blackmailing her to distract the man who might derail his corrupt schemes--a man who can offer Audrey not just protection, but a passion bold enough to make them claim their place in this harsh and beautiful land. .
