Roman, a slave to Wulfgar, is less than pleased when the thane acquires a new pet: the beautiful and prideful Aron. Aron has never been with a man and has no wish to be now, but when he is claimed as a thrall to pay his father's debt, his choice in the matter is lost. Captured from Roman-held Londinium four years prior, Roman has learned that life as Wulfgar's bedslave can still be sweet. He is intrigued, threatened, and ultimately frightened by Aron and his feelings for the young man as they are thrown together by both cunning plan and charmed circumstance. Roman and Aron will form a bond greater than any other claim upon them and determine that whatever the cost, they will find a way to be happy-even if that means risking their lives to find freedom together. A Timeless Dreams title: While reaction to same-sex relationships throughout time and across cultures has not always been positive, these stories celebrate M/M love in a manner that may address, minimize, or ignore historical stigma.
