Could I help it the damn screen was showing such an explicit sexually charged photo? No way I could know the girl sitting on the mans face was the woman whose house I was sitting in! After my promise to never do that again I decided to better safe guard myself. It was such a perfect session I pulled off. I took the semen filled tissue and safely disposed it down her toilet. What were the chances that Kleenex Tissue would come back to haunt me..Twice! The first time it was only a little flood in her bathroom and I got away with it..At least I thought I did. But the next time the tissue found the water my luck ran out. As bad as it was I wouldn't have objected to reaching into the toilet basin. What they made me do should be censored. It took me to a new low. Of course I never counted on being on a stage with an audience of 80 hungry dominant woman! What one did to me was beyond reproach, Times eighty was beyond possible. Sexually greased marathon of torment and degradation.
