Dear Digital Product Collector, How would you like to turn your collection of digital products that are now being stashed away at the dark corners of your hard drive... into a series of recurring cash machines that rake in sales like gang busters? If you're anything like most Internet Marketers, you've downloaded a lot of products, especially Resell Rights and Private Label Rights, from many websites you've joined - whether they're free or paid. Solutions in the form of products that promise you will be rich beyond your wildest dreams. And why not? After all, these products give you the luxury of skipping the product development phase so you can jumpstart into the Internet Marketing scene. Right? Well, this is probably not a nice thing to say but I want you to come to terms with nothing but one truth... "The BIGGEST Truth About Most Digital Products You Have Downloaded - Finally Exposed!" Look, if you believe that buying these digital products with Resell Rights and Private Label Rights are going to make you rich without doing any lick of work, then you've been lied to. BIG TIME. Would it make sense if I told you that these products can't make even a dime for you - only unless you know how to make them do so? When I realized that myself some time ago, I wanted to knock my head against the wall so badly. And I realized

yet another truth... There Are Actually More Lousy Marketers Than Lousy Products! How often do you hear of people complaining how lousy or low-quality Resell Rights items and Private Label products are in the Internet marketplace? Very often. You see, if you're a lousy marketer, you can't turn the products you have in your hard drive into profits, no matter how good or high quality they are. And the result: those products become accumulated digital dust in your hard drive. Likewise, this would be a piece of cake to a professional marketer regardless of how good or bad the products he or she has. The best case scenario: your hard drive is now your gold mine! "What Does It Take To Turn My Idle Products Into Recurring Cash Machines On Autopilot?" Now you're finally asking the right question! :-) It's none other than Education... and I'll provide you what most other marketers won't! "Introducing The Digital Powerhouse Secrets - How to Transform the Digital Dust in Your Hard Drive into Profit-Pulling Cash Machines!"
