The company, based in Detroit, Michigan focuses on entertainment from every aspect. Starting with Hip-Hop and R&B acts, All Anglez Entertainment plans to become one of the premiere companies in the record industry. "Our Mission is to become a key factor in putting Detroit back where it was when Barry Gordy started Motown Records," says co-founder D-Nuttz. Further plans include: Documentaries, sponsoring inner-city functions, and coming soon, A-Squared Apparel. Ceaze proclaims, "We'll leave no stone un-turned. We plan to be in this game until we gray-haired. We want to not only make music, but entertain a number of crowds on different levels. Hit 'em from All Angles." Thus, the company name was born.
