ELECTRONIC: Trip Hop, HIP-HOP/RAP: Chopped and Screwed Details: Beat Dis is a local coloured mid-central-European band Formed in 2003 Szombathely. Molded out of live hip-hop, at times sentimental, other times harsh with wild guitar riffs, baffling, dark vocals of members of the opposite sex quarreling with each other, embedded in fiery scratch orgies. Carries on the vision of Tricky, The Roots or Mike Patton. Surreal messages from the world of Trip-Hop, rhymes from the gloomy side of music, while experimenting with the most radical, extravagant possibilities of connecting with the audience, just as they have done supporting Dzihan Kamien, Little Axe and DJ Vadim.
