Take a classically trained pianist choirboy and feed him on the grungy scraps of 90s rock, plop him down in front of an electronic production environment, and this is what you get. Embrace contradiction; lovecold. 11 MP3 Songs POP: Garage Pop, ELECTRONIC: Electronica Show all album songs: lovecold Songs Details: The creation was the reward. Putting it out into the world? Just gravy. I like gravy--especially sausage gravy with biscuits Bon apptit.
