and erotic soulful mix of sex pain and the fight for freedom 17 MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: Soul Details: Catfish on a Hot-el Roof is a cd perfect for road trips and children at heart of all ages. It is a well orchestrated composition of great style and diversity as no two tracks sound quite the same. Although most of the subject matter is of a dark and serious nature...tracks like Hallmark Moment and One chic two chic are funny enough to probly even unite God, the devil, and the grim reaper to share a laugh together. Whether you are a hard core hip hop fan, hopeless romantic, nymphomaniac, truth seeker, revolutionist, or a so called ordinary person the album is sure to have something you will enjoy. Wizdum (Robert Jeffers) not only blessed the album with great lyricism and word play, but he is also the father of 16 of the musical symphonies. The album also features stand out guest appearances by Morph, DJ Psycho, C-ara, and Jewell of the Chesapeake. Morph's smooth delivery, Psycho's crazy rage, C-ara's romantic poem, and Jewell's (explicit) are a perfect blend to the roller coaster life of Bobby Wizdum and help to smoothe out the ride. So come aboard don't just take my word for it hear for yourself and look foward to many more releases from Wizdum and the Lion Bib family.
