\$ 3FLY RECORDS ARE PROUD TO INTRODUCE TO YOU..... Casanova Brown with his debut album "Confusious" Aiight lets take a walk on the wild side and talk about Mr. Cas (Casanova Brown). Raised in the system while living in the notorious Watts California Cas is no stranger to the street life. But to really know this artist is to know his music. Every line that he spits is heart felt by himself and his fans, basicly you can tell that he rhymes how he feels. Clubs althrough Hollywood Ca.? He has rocked um. The streets of L.A all the way up? He rocked um. He also rocked along his bestest potna to take out heads on MTV's "THE CUT"! The
