Instrumental Jazz Fusion 8 MP3 Songs JAZZ: Jazz Fusion Details: Allan Holdsworth, legendary jazz-fusion guitarist is featured on Skippy, and Antillia. The whole album was recorded, and played on, and produced by world renowned pianist-keyboardist Steve Hunt, formerly with Allan Holdsworth, Stanley Clarke, and Billy Cobham. Steve Kirby, who is very well known for his virtuosity in the Boston area, presents all the rest of the brilliant guitar playing. The drumming on the album is provided by one the best drummers the Boston area could provide, Steve Michaud, whose blend of poly-rhythms and grooves brilliantly textured the album. Featured artist Dave Hines composed all songs, and played fretless 5 string, 4 and 6 string basses, as well as co-production.
