Details: fire spirit is spiritually influence by Eyesus Christos jesus christ and few artist in the business. this cd is to put insight into peoples thoughts and to elevate your mind and to emancipate your spiritual side of ones self and to ask questions concerning the future of your well being. My songs talks about unification and love and church. It is intense and straight forward and deals with issues of today's world. I am from Jamacia and i am spiritual and what i want for my people is to be free first mentally and spiritually and ultimately physically. Unify and not to devide, do not give them fights and war that is what they want give them what they do not want and that is love
