

# Mp3 Leon Youngboy - Hip Hop/rap: Alternative Hip Hop

[DOWNLOAD HERE](#)

Asian hip-hop dipped in a funky house freestyle dance beat 16 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, POP: Bubblegum Pop Details: Leon Youngboy is an extraordinary and phenomenal event to hit the Asian community. Cool and slick on stage and smooth and sultry to the ladies off stage. His dancing skills rival that of the great pop and hip-hop dancers of his time. Combined with his vocal and production skills, he is the next sensational superstar to take the music industry by storm. Electrifying in his performances on stage and on his music videos, he captivates the imaginations of the young and the old. Leon YoungBoy is a genius , whose unique style of writing songs encompasses an array of hip-hop, free-style, house, and Asian Funk. The avant-garde of new ideas and techniques of song writing, which will revolutionize the recording industry, Literally, he has created his own Universe of sound. Every song written , was intended to move the mind, body, and soul of his listeners, while keeping in mind, the need for true originality and creativity. History of band: Leon Youngboy started his apprenticeship in the music industry in 1988, under Cleveland WrightIII , from the group , Temper, known for their hit,"Don't Do Me No Favors". During that time ,he made guest appearances in music videos , such as Groove B Chills and the Canadian rocker,Colin James. He also made a guest appearance on the Cosby Show and Geraldo Rivera. In due time, he finally came out with his first single and video, Youngboys, which promoted awareness of his presence in the Asian community and especially on the college campus. The video itself premiered in the famous New York City club, Palladium, and appeared on public television on Ralph McDaniel's Video Music Box. It was then picked up by the show Asian Panorama and aired to the Asian Community. Most of the audience loved the video's violence and rage. Leon Youngboy then knew he was onto something and then returned to the studio with his new co-producer , Eddie Davis, Known for his production work on Hanson&Davis' "Hungry for Your Love," to do his follow up, self -titled album , Leon

YoungBoy. This album has taken three years of his time to complete. In completing his album , he has formed The Asian Posse, whose style and sound rival those of R&B groups.
