Powerful melodic rock that is not focused on any of the latest trends set by the mainstream music scene. Explosive drums, aggressive guitar riffs all tied together by catchy melodic lyrics that will leave you hungry for more. 12 MP3 Songs ROCK: Hard Rock, ROCK: Progressive Rock Details: Welcome to the world of Mercury Drop. Born in the suburbs of Atlanta Georgia, this band has crawled out of the primordial ooze to offer a new sound in the evolution of modern music. Ron Benner, Jesse Hardin, Jariah Baldwin and Michael Allen are the key ingredients of this newly formed union. Each one of these talented musicians bring a creative musical link that is quickly capturing the attention of all who experience their music. Relying on complex rhythms and inspirational melodies this band forges its way into uncharted territories never looking back to catch the latest "trend" or musical "style". Music born in the heart and soul captures the listener and keeps them captivated from the first note to the last.
