Related styles: COUNTRY: Traditional Country, COUNTRY: Contemporary Country People who are interested in Jim Reeves should consider this download. Details: This CD is a collection of 12 original traditional country songs that features the title song "Sidemen". The song is a tribute to all men and women that play their musical instruments wheather in the recording studio or performing on stage alone side of the singing artist. These great musicians are often referred to as Sidemen and often slighted of their cue credit. The song "sidemen" fully explains with these few words .. "Their names are never on a marque but they played on those songs". Their fiddle and steel, piano, and guitar.. they are the sidemen.. They played for the star. The talent of these men and women are the backbone of great songs, past and present. Less we forget, God bless the sideman they played for the star. Frances V. Long and Milton C.
