Golden Oldies like "Will You Still Love Me Tomorrow" (The Shirelles), "Tonight's The Night" (The Shirelles), "So Sad (To Watch Good Love Go Bad)" (an Everly Brothers favorite) and many others are revived here in a fresh new fashion along with several of her own wonderful originals. Patti is unique in today's market in that her songs have beautiful melodies and the words have meaning. These are songs from the heart. They have been lived by the artist and set down in song for us to savor. She is a Country girl. These are Country songs. Check out "Anybody's Arms Will Do Tonight" or "I'm Not Yours" or "Waitin' For The Mornin' Train". All come from the voice of experience. There's not a woman on the planet (or a cowboy either) who can't relate to what's going on here. Love and Love's Triangles are as old as time, but as fresh as tomorrow when PATTI J sets pen to paper. Check out her new releases "BABY I'VE GOT A FEELIN" and "I'M YOUR WOMAN" here at CD Baby.
