

Mp3 The Slightest - Fragments

[DOWNLOAD HERE](#)

Beautiful melodies with electronic and rock elements. Gary Numan meets My Bloody Valentine. 7 MP3 Songs ELECTRONIC: Experimental, POP: New Wave Details: The songs on this album are like nothing you have ever heard; an eclectic mix of styles including shoegazer, electronica and rock. Melodies and beats fade in and out on top of one another. The drums and synthesizers sound as if they were recorded in a haunted cave. This CDR is limited and hand made by the artist. A new full length is on the way in 2007. If you would like a limited 3" cdr contact "the slightest" on myspace.com.
