Details: Atlas Records is proud to announce the release of The Tony Tyler Trance - the long awaited debut album featuring nineteen year old Tony Tyler. Tony has been performing since the age of seven and now after graduating high school this triple threat singer, songwriter, musician is ready for his shot at a lifetime musical career. In addition to writing ten of the fifteen tracks Tony sings and plays guitars, bass guitar, keyboards , sitar and percussion. Tony has set tongues to wagging all over with his live performances. This new album should do the same.
