Clare's transformation is now complete to the point of being a eunuch. But Saffi has yet more sacrifices in mind for her obliging partner. Volume-Five continues the story with a mix of the final training Saffi insists Clare undertake to become a true woman and an indentured courtesan to her. A Transformation to Submission that is continued and taken to its logical conclusion with the momentous surgery required for Clare to finally become the woman Saffi so desires him to be. As Clare's journey progresses, we are given

an insight into the intensity of love and mutual respect that fuels the couples passion and co-exists with Saffis need to remain in total control of the relationship itself. In all its forms. Seen through the context of Saffis fem-domme control of Clare, My Progress To Womanhood is a hymn to a loving femdom relationship and a valuable journal of a well-heeled and international life-style. WARNING: Story contains scenes of an explicit sexual nature.
