

Strange Seas - Suzy McKee Charnas

A writer's memoir: Charnas investigates strange dreams of whales, and discovers connections in past lives; she goes to Alaska to confront this past, and returns with a challenge to us to preserve these endangered species. "I am woven through your past, as you are through mine-and both of us through theirs, the sea-peoples." In Hugo-and Nebula-Award winner Charnas' first non-fiction book, her journey of self-examination takes her much farther than she expected, into both metaphysical realms and the glaciers of Alaska. "I saw a lot of closed doors inside the house of myself, labeled 'I don't care,' 'I don't know,' and-the majority- 'I don't remember.' But one stood open, the one that Miriam's words had unlatched and flung wide- 'I don't believe.' There was no denying what lay beyond. The whales had souls, and I had been a killer of whales."The author wrote about this book, "Strange Seas is the story of an investigation I fell into, of the lives and cultures of whales and other cetaceans, this information being obtained through a medium. I've consulted this channeler on and off for a number of years on various other subjects and found her reliable, and once this topic opened up it was utterly irresistible. The book is a mind-boggler either way you go; there's a lot more going on down there under the water than we ever

dared to dream, or else my channeling friend should be writing SF - she's got the imagination for it, and she thinks big!"REVIEWS:"Charnas has added something entirely different to her growing library of published works."-LIBRARY JOURNAL"Approach this book with an open mind, but fasten your seatbelt and prepare to have that mind bent."-Phoebe Wray; MOONDANCE.ORGAuthor: Charnas, Suzy McKee Publisher: Hidden Knowledge Illustration: N Language: ENG Title: Strange Seas Pages: 00220 (Encrypted PDF) On Sale: 2002-03-15 SKU-13/ISBN: 9780967915913 Lib Category: Whales Lib Category: Alaska Category: Body, Mind & Spirit : Channeling Category: Nature : Marine Life Category: Language Arts & Disciplines : Authorship
