(Meredith Music Resource). This new publication is an extension of The Winds of Change , that traced the development of the American wind band/ensemble in the twentieth century. This book covers all the important conferences, concerts, events, initiatives, and compositions created for wind bands/ensembles during the first decade of the twenty-first century. In gathering information for this book, the author examined hundreds of scores, listened to dozens of recordings, attended conferences, interviewed wind band/ensemble director-conductors, and surveyed numerous professional journals and magazines.
