Cash In With The 10th Largest Website On The Internet, Twitter... Tune In To The Global Conversation And Get Real-Time Access To Your Market Dear Marketer or Business Owner, You have heard of Twitter, many times no doubt! It is on the news, on television shows, celebrities and athletes are speaking to their fans on Twitter and new people are flooding on to the network every day. You will also find a number of businesses on Twitter. Using it to find hungry buyers and connect with their market in real time. The PERFECT sales vehicle in todays fast paced and impatient society. Regardless of what industry you may be in, the sooner you embrace Twitter, the sooner you will open your doors to new business and new money making opportunities. If you are still not convinced, consider some of these statistics: * Twitter has over 150 Million registered users * Twitter receives over 180 Million unique visitors a month * Over 300,000 new users join Twitter every day * Over 600 Million searches are sent to Twitter each day. Of those 600 Million searches, many people are looking for solutions to problems and YOU can provide the solution! This is where you and your business come in! Imagine being able to hear from a potential customer with a real problem, connect with them in real time and offer a solution to their problem. This is

a fantasy scenario that business owners could only dream about... until now. Embrace the power of the global conversation and give your business one SERIOUS competitive edge. The problem for many business owners is that they see the value in Twitter but they don't believe they have the time to even look at it. And that is the biggest misconception we must dispel. The real issue is that they don't have time NOT to get on Twitter. . And doing so can actually be a lot easier than you might think. INTRODUCING...
