This is so not what she expected. Promise Lake is supposed to launch single mom Emmy Van Amsted's new life. It's not supposed to be her past revisited. But thanks to the unwelcome tenant in the family home, that's exactly what's happening. And the tenant is none other than her college sweetheart Aidan Caldwell, the man whose marriage proposal she turned down flat. The awkwardness doesn't end there, however. Emmy is still very attracted to Aidan. But she has a clear vision for her future. Which is why she can't get involved with him...no matter what sparks fly between them. That's just asking for trouble, isn't it? Or is Aidan her chance to create the family she's always wanted?
