Tuttle Town™s delightful townsfolk have special talents, some hidden deep inside, and with practice, not wishes, their talents grow and shine making them look so very lucky. Bond with your child as you share the joys of words, imagery, rhyme, new lands and “personal best” achievements through Tuttle Town Tales™ characters, adventures and illustrations. Chloe Finds a Lucky Secret promotes good self-esteem in children by showing that they have control over being their best through practice and patience instead of wishes. A child™s talents may not be obvious creating feelings of inadequacy, especially if compared to others. But with a mentor, coach or training something special the child never knew they possessed is discovered and wonderful changes happen. Tuttle Town Tale characters offer diversity as they come from different lands with names native to their culture and deal with feeling different from everyone else. Opening children™s horizons and exposure to new places and ideas presents opportunity for discussion as you read these stories together with your child. The vocabulary, imagery and rhyme rings out the magic of words to the young ear. Expressive illustrations depict emotions that stir up understanding about feelings in themselves, and others, for insightful social skill
